**SPECIAL FILMING CONDITIONS
5121 FRANKLIN AVENUE**

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

This famous Frank Lloyd Wright home in the Los Feliz area has an open air design which allows for noise to travel upwards and affect the nearby neighbors. The following Special Filming Conditions have been established to mitigate the concerns of area residents.

- **FilmL.A. will evaluate all requests for permits in this area using the following criteria:** Frequency of filming per block near the requested location and parking areas, Duration and frequency of recent filming, Proximity of concurrent filming activities, Historical use, Recent problems or complaints, Number of filming days requested, Proposed activities (effects, excessive noise, cranes, etc.), and any other criteria that may be relevant to the specific situation. **NO PERMITS FOR THIS AREA SHOULD BE ASSUMED TO BE AVAILABLE WITHOUT THE ABOVE REVIEW.**
- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*
- **Personal vehicles of cast/crew are not permitted to park on area streets.** Off-site parking must be arranged by the production company and cast/crew must be shuttled to and from the location.
- **Posting and/or parking of production vehicles/equipment is prohibited on the south side of Franklin Avenue and on Normandie Avenue.**
- **Parking of production equipment is limited to the north side of Franklin Avenue from Normandie Avenue west 300'. Parking/posting on any adjacent streets will require that affected residents be surveyed.** Film company vehicles shall not interfere with gardeners' activities, trash pick up, safe use of the streets or access to resident driveways, unless approved by the affected residents.
- **Street cleaning is scheduled on Wednesday and Friday between 8:00 a.m. and 10:00 a.m.**
- **Parking and/or idling of production equipment in alleyway directly behind 5121 Franklin Avenue is prohibited.** The alleyway is the only access to several of the nearby homes and may not be blocked at anytime.
- **Preparation, service and eating of meals shall be on private property, out of public view and not in the public right-of-way.**
- **A FilmL.A. Monitor will be assigned to encourage compliance with the permit and conditions.** The Monitor will generally arrive at the designated location 1 hour prior to the permit start time to note proper arrival time and remain with the production company during all filming-related activities and ensure proper departure time.
